## NOTE.

---

THE following list is in continuation of the "British Officers Serving in America, 1754-1774," and has been prepared upon the same plan. As it is intended to serve as a check-list, every effort has been made to make it full and complete, leaving to other hands the task of compiling the records of the different officers. An asterisk marks those officers who served in America between 1754 and 1774, and their records prior to 1774 may be learned from the earlier list. My thanks for courtesies are due to the Astor Library, to Mr. Charles R. Hildeburn, and to the Pennsylvania Historical Society.
